

## Announcement of the Secretariat of House of Representatives

### Subject: Declaration of Intent on Integrity in Administration

In compliance with Agreement and Memorandum of Understanding on Prevention and Suppression of Corruption of the Secretariat of the House of Representatives, the Secretariat of the Senate, and the Office of the National Anti-Corruption Commission signed in the 2016 Fiscal Year for enhancing ethics and transparency, preventing corruption as well as implementing Integrity and Transparency Assessment (ITA) by declaring in the 2017 Fiscal Year, the intent to build the “**Organization of Integrity and Transparency**” in order to reduce the risk of corruption and misconduct,

I, on behalf of the House of Representatives, therefore, would like to express my intention on integrity in administration of the Secretariat of the House of Representatives as follows:

1. **Performance of Duty:** Be determined to perform duties with accountability and carry out work with standards and transparency. Provide equitable and equal services to customers and the public and do not ask for money, gifts, or other benefit from anyone,

2. **Budget Expenditure:** Expend the budget with transparency and worthiness in accordance with the objectives related laws and regulations, as well as be ready for internal and external audits,

3. **Exercise of Power:** Exercise power with fairness, non-discrimination, and avoid intervention from anyone,

4. **Use of Government Property:** Use the property of the government properly in compliance with regulations and must not use government property for personal interest or benefit of associate,

5. **Anti-corruption Resolving:** Implement the anti-corruption policy and plan, and also monitor strictly the corruption and disciplinary breaches of government officials, government employees and employees,

6. **Quality of Performance:** Provide services with transparency in accordance with stipulated procedure and time frame with impartiality and focus on benefit of the people and the nation,

7. **Effective Communication:** Provide convenient channels for dissemination of information to customers and the public, inform the performance and administration of the Secretariat of the House of Representatives, and provide channels to receive complaints or opinions as well as efficient response measures,

8. **Work System Improvement:** Improve the work system by applying digital technology to provide fast and convenient services of the Secretariat of the House of Representatives to customers and the public.

In order to achieve the abovementioned intent, all executives and personnel of the Secretariat of the House of Representatives shall strictly abide by aforementioned guidelines so that the Secretariat of the House of Representatives is the “**Organization of Integrity and Transparency**”, widely accepted by customers and the public with an accountability under this Declaration of Intent on Integrity in Administration.

Announced on November B.E. 2562 (2019)

Sorasak Pienvej

Secretary-General of the House of Representatives
